The City of Scranton will resume in-person services June 29; residents encouraged to continue utilizing remote services

SCRANTON, PA – City facilities will reopen to the public Monday, June 29, 2020 as Lackawanna County enters the “green” phase.

“It is critical that we all understand that we are living with COVID-19. Green phase does not mean the virus is gone. Green phase does not mean that we resume our former way of life completely. Cases are up in states across the country and we must remain vigilant. Please wear masks, keep distance from others, avoid large gatherings, and wash and sanitize your hands frequently,” said Cagnetti.

The City will continue to follow the orders and guidelines from the Governor and PA Department of Health through the coming phases of COVID-19 virus mitigation. Please stay home if you are sick or experiencing symptoms of COVID-19. Residents are encouraged to continue to use remote methods of accessing City services as much as possible.

Please contact us by calling (570) 348-4101 or emailing scranton311@scrantonpa.gov with questions.
